

THE HONOR PLEDGE

Students will be held responsible for academic honesty and integrity in accordance with Herbert A. Ammons Middle School's Academic Honesty Policy. The Honor Pledge is a character-building ritual designed to encourage faculty and students to reflect upon and reiterate the school's commitment to academic honesty.

It is recommended that at the end of each written assignment or test/exam, students be asked to write down the pledge and sign their name. Below is the Ammons Honor Pledge that students are to write down and sign.

I pledge on my honor that I have
not violated the Academic
Honesty Policy during this
assignment / examination and this
work is authentically my own.
