Greetings:

Each year, with a unified spirit and pride in our blue and gold, we set out to soar to new heights. Whether in the academic realm or on the field, we are persistent in our pursuit of excellence. Herbert A. Ammons Middle School is committed to meeting the academic requirements and social needs of its entire learning community so that its members are prepared for the next stage in their lives.

We are proud to be a National Blue Ribbon School of Excellence, Magnet Schools of America-School of Distinction, and achieved an A rating from the State of Florida for 16 years in row.

I am thankful to work alongside a group of dedicated professionals that work together each year to design new plans and implement new strategies to reach our educational goals. I look forward to a truly amazing school year, where we chart a course for success that takes student learning far beyond the classroom.

Maria Costa
