

Dear Ammons Families,

Please join our Ammons PTSA Team! We are well on our way to a very successful year at Ammons. Thank you for being an inspiration in the lives of your children and the children here at the school. These past years, your support has allowed us to enhance educational programs and fun activities such as Career Day, Peer Mentoring, SPED, Student incentives, Faculty and Volunteers' Recognition, Walk-a-Thons, Fairs, Turkey Bowl, Beautification Days and so much more...

We are equally ambitious and even more excited this year. With your help and contributions we can reach this year's goals. We need to raise money in order for the PTSA to be able to operate and to continue to enhance the educational programs and fun activities funded by the Ammons PTSA.

Over the past few years, many of you expressed an interest in supporting our school and have asked for an alternative to selling items. That is why we are excited about the PTSA DIRECT DONATION PROGRAM. The Program asks families to make a voluntary, tax-deductible cash contribution to the Ammons PTSA. **As a thank you, you will receive a Certificate that will show your level of donation.** That Certificate can be placed in your child's Portfolio to show Parental Involvement at Ammons. The levels of donation are:

Bronze Certificate: Donations from \$25-59

Silver Certificate: Donations from \$60-99

Gold Certificate: Donations \$100 and above

To make a tax-deductible donation, please fill out the form below and send it in with cash or a check payable to Ammons PTSA.

Thank you for supporting our School!

Fabia Bernarde
PTSA President 2015-2016

I would like to make a tax-deductible direct donation to the Ammons PTSA.
